SHIVRAJ SINGH CHOUHAN
CHIEF MINISTER
MADHYA PRADESH

Dear Friend,

Madhya Pradesh has witnessed a radical transformation in terms of economic and social development over the last decade. The state has recorded an impressive growth in GSDP averaging over 9% in last five years due to stable governance, supplemented by creation of a robust support infrastructure in terms of roads, water supply and irrigation capacity and 24X7 power supply. The abundant manpower of the state has been developed into a skilled technical workforce, with the presence of world class institutes like IIM, IIT, AIIMS, Engineering colleges and several ITIs.

'Friends of MP' as an initiative started on 01st February 2015 to bring together the Indian diaspora, especially with roots from Madhya Pradesh. Not restricted to people belonging to MP, it is an open forum including people having affinity towards the 'Heart of India – Madhya Pradesh'. MP diaspora abroad is doing exceptionally well and their contributions in the world economy are much appreciated. It is because of this hard work and constructive involvement, Madhya Pradesh is well renowned, globally. Therefore, I feel it is important to intellectually and culturally involve the diaspora abroad in the growth of MP.

To this end, Government of Madhya Pradesh is hosting 'Friends of MP Conclave' on 3rd and 4th January 2018 in Indore. It will be a first of its kind event inviting the Madhya Pradesh diaspora to visit the state. The focus of this event is cultural exchange and create awareness about accomplishments of the state and the ongoing initiatives for social development. You are our brand ambassadors and your association with the state will help the state in transcending further horizons.

I extend my personal invitation to you and your family to attend the conclave. Your participation along with your family will add great value and inspire the community in Madhya Pradesh to excel and reach new heights of success. The registration link on **http://friendsofmp.com/FriendsOfMPConclave/** is live for you to register. The tentative schedule is also attached for your reference.

With best regards,
