**TOR for the Forestry Field Consultant for
Compensatory Afforestation Fund Management Planning Authority
in the state of Madhya Pradesh.**

A. Background of CAMPA

The Madhya Pradesh State Compensatory Afforestation Fund Management Planning Authority (MP State CAMPA) is a statutory body established by the Government of Madhya Pradesh, India, under the provisions of the Compensatory Afforestation Fund Act, 2016 (CAF Act). The main reason for establishing CAMPA in the State is to provide a funding mechanism for enhancing forest and tree cover and conservation and management of wildlife by utilising funds received in lieu of forest land diverted under the Forest Conservation Act, 1980 (FC Act 1980).

The Objective of the MP state CAMPA are:

As per Central Government Guidelines formulated and circulated on 02 July, 2009, the aims and objectives of 'The Madhya Pradesh Compensatory Afforestation Fund Management and Planning Authority' shall be to promote:

- Conservation, protection, regeneration and management of existing natural forests;
- Conservation, protection and management of wildlife and its habitat within and outside protected areas including the consolidation of the protected areas;
- Compensatory Afforestation;
- Environmental services, which include:-
 1. Provision of goods such as wood, non-timber forest products, fuel, fodder and water, and provision of services such as grazing, tourism, wildlife protection and life support;
 2. Regulating services such as climate regulation, disease control, flood moderation, detoxification, carbon sequestration and health of soils, air and water regimes;
 3. Non-material benefits obtained from ecosystems, spiritual, recreational, aesthetic, inspirational, educational and symbolic; and
 4. Supporting such other services necessary for the production of ecosystem services, biodiversity, nutrient cycling and primary production.
- Research, Training and Capacity Building.

It is proposed to hire service of forestry field consultants for preparing various reports, outcomes, proposals etc concerning Campa activities in Madhya Pradesh.

B. Essential Qualification Required :-

1. Bachelors degree in forestry or other related subject..
2. Post Graduate Degree/ Diploma in forestry management.

C. Desirable Qualification:

1. Degree/ Diploma in computer application or equivalent.

2. Knowledge of GIS/ Shape files/KML file/ Google image.
3. Fluency in oral and written Hindi and English with strong communication skills in presenting, discussing and resolving critical issues.

D. Job description

1. Technical Forestry consultant would be reporting to the CEO CAMPA and taking directions from him.
2. Consultant should also facilitate the monitoring and evaluation of different works done under CAMPA, e-green watch portal etc.
3. Consultant should prepare various reports, analyse outcomes and prepare presentation etc as directed by CEO, Campa from time to time.
4. The consultant should be able to analyse the data along with the progress of a project, provide meaningful indicators and solutions to CEO,CAMPA and the field formation, suggest mid- course corrections.
5. The consultant responsibilities will not be restricted to a particular activity. He may be required to handle other schemes and official work of the department, as may be directed by CEO CAMPA from time to time .
6. Provide advice & recommendation on Forestry issues, environment & Wildlife conservation.
7. The base station would be the office of CEO, CAMPA at Bhopal.

E. Work Activities and outcomes:

1. Observing, receiving and otherwise obtaining information from all relevant sources.
2. Organizing, planing & prioritizing work.
3. Documenting & recording information.
4. Using computer and computer system (including hardware and software) to program,write, setup functions, enter data or process information.
5. Estimating the quantifiable characteristics of information and evaluating information to determine compliance with standards.
6. Submission of different types of progress report & Annual Reports of years 2020-21,2021-22 and 2022-23.

F. Process of selection:

1. The candidates will be shortlisted based on the information provided in the application form subject to fulfilling essential qualification (EQ).
2. Shortlisted candidates will be asked to present their credentials before the selection panel. Each candidate will be given 15 minutes to showcase his/her suitability for the advertised position. The presentation can be oral or power point presentation. Candidates will be required to make a written submission of the presentation made by them.
3. Presentation will be followed by interview of the candidates by the selection panel.
4. The marking scheme will be as follows:

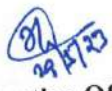

- i. Each of the desirable of qualification to carry 5 % marks (Total- 10%).
- ii. Computer Proficiency Test — 10% (to be held during selection process)
- iii. Presentation - 70 %
- iv. Interview - 10 %

F. Remuneration:-

1. During the initial period of three months, the consultant shall receive a fixed monthly remuneration of Rs.55,000/-.
2. Upon the completion of initial period, a performance evaluation shall be conducted
3. If the consultant meets the performance requirements, the services will be carried forward for a period of one year with fixed monthly remuneration of Rs. 75,000/-.
4. The consultant shall be eligible for reimbursement of travel expenses and daily allowance equivalent to that of a class II Officer of Madhya Pradesh Government during their field visit.
5. Any revision of monthly remuneration would be based on annual performance.

G. The position of forestry field consultant is purely temporary and can be terminated at any point of time by merely giving a notice of two months.

H. Upon selection, an agreement will be signed between the two parties.
